TUESDAY, APRIL 1, 1947

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER: (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*

GOLDFINDER PRINCE: Is the first bull we have had to offer sired by M. F. Gold Mine and out of a Roths Prince dam. He is an outstanding herd bull prospect, thick and deep bodied, on short, sturdy legs. We had to pay \$3600 for his sire at ten months old but we think he will prove to be one of the best breeding sons of Supreme Goldfinder. This is breeding you can depend on with a good individual to go with it.

NONPAREIL LADY 49th: Is as good a heifer as we have ever produced. She is exactly the same breeding as the heifer that topped the last State Sale at Hutchinson, their dams are full sisters and both heifers were sired by Rothes Prince. This will make someone a grand foundation cow. I would like to have kept her in the herd but the Sales Manager asked me to put in something good, so here she is. She is bred to M F. Gold Mine and this mating should produce a real calf. Daughters of Rothes Prince have topped the females in every Sale consigned, including two States Sales.
